8. (Confidential - GLC) [REDACTED] and I met with Jim Oliver, OMB, and [REDACTED] OPPB, for the purpose of briefing Oliver on the status of our discussions with the Armed Services Committees' staffs on possible changes in the Agency's legislation. Oliver expressed a strong interest in being kept apprised of these negotiations and would be interested in having a copy of the memorandum the Director sent to Dr. Kissinger on this subject. We are checking this with the Director.

9. (Unclassified - LLM) Jack Norpel of the Senate Subcommittee on Internal Security called to ask if we could drop by as he had several names that he would like us to check out. I told him someone would be by.
